

Key Workers:

School will be open only for those children who absolutely need to attend and cannot be safely cared for at home. If children can stay safely at home with another parent or responsible adult, they **MUST**, to limit the chance of the virus spreading.

School is open for children whose parents are **CRITICAL** to the COviD 19 response. If a second parent, who is a non-critical worker can care for their children, they must to reduce the spread of the virus. Please keep your child at home if at all possible.

We have been trying the personal touch to contact families this morning. If we have not spoken to you so far, and you require your child in school on Monday, please contact school by email to oakdene@sbcschools.org.uk with your employment details.

Thank you. Mrs Bramley
