

Reception Green Group - 18/01/21 Home Learning Suggested Timetable

"Who's afraid of the Big, Bad Wolf?"

This is a suggested timetable only. Please complete activities as fits you and your family.

Mrs Elliott
Monday

Phonics - Use Espresso to practise your phonics skills. Go to Foundation > Literacy > Phonics > Phase 3 (Polly's Phonics). Select the video for 'oo' and practise blending and segmenting words with that sound. This sound can be pronounced in two ways - the short 'uh' sound like book or look or the long 'oo' as in moon. See if you can find the different 'oo' sounds on the postcard!

Literacy - <https://classroom.thenational.academy/units/the-three-little-pigs-3ac4>.

Today please watch the video and complete the task for Lesson 3. You will be retelling the story of the Three Little Pigs, using what we learnt about feelings last week and your story map to help you.

Maths - Lesson 1-Using manipulatives or objects to count on when adding - In this lesson, we will be using countable objects and ten frames (paper copies) to count on to ten. <https://classroom.thenational.academy/lessons/using-manipulatives-to-count-on-when-adding-60vpat?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 1 in your Paper Home Learning pack.

Move it Monday - Use the 'Learn it - Dance' sheet and think about your yoga moves from last week. Don't worry if you don't have music, it's the moves that are the most important!

Mrs Elliott
Tuesday

Phonics - Tricky Word Tuesday - Our tricky word this week is 'they'. You can practise the word on your tricky word worksheet. There are games on Espresso where you can practise tricky words. You can also find free games on Phonics Play using the login 'jan21' and password 'home'.

Maths - Lesson 2-Adding two numbers using a number track to count on - In this lesson, we will be using a number track or line to support counting on to ten.

<https://classroom.thenational.academy/lessons/adding-two-numbers-using-a-number-track-to-count-on-cmvk0t?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 2 in your Paper Home Learning pack.

Challenge Tuesday - Can you make a new house for 'The Three Little Pigs'? What will you use? (lego, duplo, cardboard box or boxes, playdough for example) Try and keep your house for next week's challenge if you can!

Mrs Elliott
Wednesday

Phonics - Use Espresso to practise your phonics skills. Go to Foundation > Literacy > Phonics > Phase 3 (Polly's Phonics). Select the video for 'ar' and practise blending and segmenting words with that sound. Use the games to the right of the page to help you.

Literacy - Today please watch the video and complete the task for Lesson 4 on 'The Three Little Pigs'. You will be making a mood map today!

<https://classroom.thenational.academy/units/the-three-little-pigs-3ac4>

Maths - Lesson 3- Understanding the concept of subtraction as take away (Part 1) - In this lesson, we will explore the concept of subtraction as take away through telling 'first, then and now' stories.

<https://classroom.thenational.academy/lessons/understanding-the-concept-of-subtraction-as-take-away-part-1-cmu32r?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 3 in your Paper Home Learning pack.

Wellness Wednesday - This week we are taking some time to be calm. Practise your calming breathing as you do some mindful colouring or see if you can make a calm space in your house. You could use some blankets, cushions, books or teddies to make it really relaxing.

Mrs Rowe
Thursday

Phonics - Practise your letter formation for the long-armed robot letters. See if you can practise the 'ar' sound you learnt this week too!

Maths - Lesson 4- Understanding the concept of subtraction as take away (Part 2) In this lesson, we will continue to explore the concept of subtraction as take away through telling 'first, then and now' stories.

<https://classroom.thenational.academy/lessons/understanding-the-concept-of-subtraction-as-take-away-part-2-6nk3et?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 4 in your Paper Home Learning pack.

Creative Thursday - We are continuing with our careful drawings this week, thinking about what colours we are using in particular. Can you make a drawing or painting of the Three Little Pigs, trying to select colours that match what you are drawing? For example, would you paint a pig in blue? We look forward to seeing your careful creations!

Mrs Rowe
Friday

Phonics - Practise your reading by reading the short 'Zoom to the Moon' story.

Maths - Today log in to Espresso and watch/play/learn-Problem Solving and explore Patterns.

Play the free games on www.topmarks.co.uk

<https://www.topmarks.co.uk/addition/addition-to-10>

And/or

Complete any of the extra addition and subtraction work sheets in your Paper Home Learning pack.

Forest Friday/Outdoor time - Continuing with our bird theme for the Big School's Birdwatch, can you draw and label a picture of a bird you can see? Where are its wings, beak, feet? Can you find out what type of bird it is?

Ongoing tasks

Please continue to read books you may have at home often, as well as using Oxford Owl to access eBooks. You can also access Phonics Comics online where you can select comics to read at your phonics level. Twinkl Go has some free reading activities, as well as some audio books for some reading for pleasure time.

We hope you are still finding time to practise your name too! Why not make sure you are writing it on all your worksheets and drawings this week?

Please remember early maths is a practical experience. You might like to have another number hunt and use the numbers you find to practise doing some adding and subtraction (skills you are practising this week). You could practice counting steps, jumps, hops etc. counting up to 20 and beyond and back again to 0. Setting the table is a great activity for practising counting, and very useful too!

Certificates

We are so proud of you all for working so hard. Please email us photographs or videos of your work - we will make a record of this in school. Those children who complete at least 5 activities per week will receive a special certificate via email at the end of the week. 😊
