

Mrs Guest's EY Class - Week beg 18th Jan home learning

Don't forget to email me with photos of your child completing work and I can email back. Even though the activities are set out for each day, please don't feel that you need to complete everything on the set day. Make the activities fit around you and your family. As long as you have completed at least 5 over the week and emailed me with evidence, then your child will receive their certificate. Please continue to regularly read with your child and when mark making, please encourage a correct pencil grip. 😊
