

## Mrs Knight's Little Sycamores - Week beg 25<sup>th</sup> Jan home learning

Don't forget to email me with photos of your child completing work and I can email back. Even though the activities are set out for each day, please don't feel that you need to complete everything on the set day. Make the activities fit around you and your family. Also, some activities need to be repeated throughout the week to develop the children's understanding. As long as you have completed at least 5 over the week and emailed me with evidence, then your child will receive their certificate.

When mark making, please encourage a correct pencil grip. I have included a **Proud Cloud** this week. If you would like to celebrate any achievements, write out the Proud Cloud, take a photo and email it to me. I'll print it off and put it in their journals.

Email: [mrsknight@oakdenprimary.org.uk](mailto:mrsknight@oakdenprimary.org.uk)

Monday

**Phonics** - Can you make some silly soup? You will need a large bowl or container, some spoons and a selection of 5 different objects. The instructions of how to play silly soup are in the pack.

Watch the story of "Dear Zoo" read by Justin Fletcher:  
<https://www.youtube.com/watch?v=A9Jr4jOOP9c>  
Can you join in with the signing actions of the animals?

**Topic** - Follow the link  
<https://www.bbc.co.uk/teach/school-radio/eyfs-listening-skills-animals-and-habitats/z7bgnd> to find a listening game. Can you guess the sounds of the animals you can hear in the park?

Tuesday

**Reading** - Read the story "Dear zoo" which I have included in your pack. As each animal is revealed, can you do the sound of the animal? If you do not know what sound the animal makes, can you move like the animal?

Now look at the animal cards. Play a snap game, saying "snap" if you see two of the same animal.

It's National Story Telling Week this week! To celebrate, why not try reading as many different stories as you can? Let me know how many different stories you read, the more the better! You could also ask other people in your house to share their favourite stories with you.

**Challenge Tuesday** - Can you help your adults with housework? You could help do some washing up, help put the washing into the washing machine or how about doing some dusting?

Wednesd  
ay

**Maths** - Put the eggs into the nest, counting each egg as you place it in. As you get more confident, add more eggs to the nest. Can you count all the way to 10?

**Wellness Wednesday** - When you go out for a walk, try spotting some bird's nests. Where do you think the birds will build their nests? Collect lots of twigs, leaves and grass to try making a nest of your own!

Thursday

**Creative** - Use the lard, lid and bird seed that I have provided to make a bird feeder! I have included some different ideas for different ways you can make the bird feeders. When you have finished, you could put your bird feeder in your garden or take it out on your local walk and put it somewhere for the birds.

**Phonics** - Follow the link

[https://www.youtube.com/watch?v=COk7Ifx\\_5XM&feature=youtu.be](https://www.youtube.com/watch?v=COk7Ifx_5XM&feature=youtu.be) to the video of Mrs Knight singing the balloon song. Sing along and try to find the same coloured balloon that Mrs Knight has.

	<p>Look at the "Dear Zoo" picture sheet. It has pictures of all of the boxes. With support from an adult, can you remember the order in which the boxes are sent from the zoo? Look at the story to give you clues if needed!</p>
Friday	<p><b>Mark Making</b> - Using the half plate and feathers I have included in your pack, can you make a bird? Stick the feathers on using glue or sellotape, or you could even just use pens and pencils to colour your bird. What do the feathers feel like?</p> <p><b>Fitness Friday</b>- Look at the sheet with the song lyrics written on. Sing the song with your adult and join in with the actions it tells you to do.</p>
