

## Mrs Knight's Little Sycamores - Week beg 18<sup>th</sup> Jan home learning

Don't forget to email me with photos of your child completing work and I can email back. Even though the activities are set out for each day, please don't feel that you need to complete everything on the set day. Make the activities fit around you and your family. Also, some activities need to be repeated throughout the week to develop the children's understanding. As long as you have completed at least 5 over the week and emailed me with evidence, then your child will receive their certificate.

When mark making, please encourage a correct pencil grip.

Monday

**Phonics** - Practice clapping out the syllables in your name- one clap for each syllable (so I would do three claps for Mrs Knight). Say your name as you clap. Can you do your first name?

Log on to phonics play, the log on details are included in the pack. Have a go at some of the phase 1 activities.

**Topic** - Find 3 different objects that make different noises around the house. What noise do they make?

Tuesday

**Reading** - Look at the different nursery rhyme cards in the pack. Choose which one you would like to sing and sing it with an adult. Do you know the actions to go with it? Repeat this a few times and also throughout the week, choosing different rhymes each time! Feel free to leave out any that you don't know.

	<p>Snuggle up in a quiet area with an adult and read your favourite book together. Can you point to different pictures when asked?</p> <p><b>Challenge Tuesday</b> - Look at the Peppa Pig kebab making sheet. After an adult has cut the different foods out, place them on the kebab stick to make a healthy kebab! Which foods have you used? Swap the foods around to make lots of different kebabs!</p>
Wednesday	<p><b>Maths</b> - Look at the different shadows on the worksheet. What has made these shadows? Tell your adult or point to each item when it is named.</p> <p>Look at the sheet with the shapes on. Can you identify the different shapes? Colour the circles red and the triangles in blue.</p> <p><b>Wellness Wednesday</b> - Look at the book "How do you feel?" which I have included in your pack. Can you guess how the animals are feeling?</p>
Thursday	<p><b>Espresso</b> - Follow the log on instructions included to find a fruit and veg game. Can you put the different fruits and vegetables in the right basket?</p> <p><b>Phonics</b> - Use the coloured blobs to play colour splat! Lay them on the floor and use a wooden spoon, spatula or even just your hand to splat the colour that an adult says.</p>
Friday	<p><b>Mark Making</b> - Look at the pencil control strips you have been given. Can you use your finger to follow the lines? Keep practicing the different lines throughout the week.</p>

**Fitness Friday**- Follow the link

<https://www.youtube.com/watch?v=nzKOiTSNHAK> and do some dancing. Follow the instructions in the song.

Find some resources to set up a balancing activity. This could be some cushions on the floor, some large, flattened boxes or some pieces of wood. See if you can walk along them, holding your arms out to balance. Can you jump off?
