Challenge Tuesday - We are thinking about sounds. Can you float some different containers in some water and talk about how the sounds are different? Can you do an observational drawing of an object in your house? You will need to look carefully at the shapes you can see. This is a good video to help you get set up and understand how to do a simple observational drawing https://www.youtube.com/watch?v=DUMwRO9vQuU. We would love to see some photos of your artwork!</p>
Mrs Rowe Friday	<p>Phonics - Please complete your rhyming words worksheet. Can you think of any other rhyming pairs?</p> <p>Maths -see separate daily plan</p> <p>Forest Friday / Outdoor time - Go bird spotting! While it would be great if you could get outside, we understand that the weather at the moment might make this tricky. However, bird spotting could also be done from your window or porch! You could even count how many you see and let us know - we wonder who will spot the most?</p>

Ongoing tasks

Reading is, as always, a high priority for our Reception children. Please continue to read books you may have at home often, as well as using Oxford Owl to access eBooks. You can also access Phonics Comics online where you can select comics to read at your phonics level.

Please continue to practise writing your name - if you have mastered tracing over your name remember you can then copy it using pens, pencils, chalks etc. Keep sending us photos of your progress!
