

Year Two

Home Learning Week Two: 18-1-21

Hello everyone,

Here is our weekly overview. It includes a range of activities, tasks and resources to support your learning at home. Remember you can send your updates and photographs to my teacher email:

mrsosborne@oakdenprimary.org.uk

Documents to support your learning at home can be located on your Microsoft Teams account using your Teams login and password.

Phonics: Use Espresso <https://central.espresso.co.uk> - [English - Phonics - Scully's Phonics Phase 5](#) - Different ways to say 'ch' (k/sh)

Watch the video then complete the sorting and reading activities.

Reading: If possible watch the [Paddington Movie 1 or a clip from YouTube](#) which shows the start of the movie where there is an earthquake, their home in the rainforest is destroyed, Uncle Pastuzo is sadly killed and Aunt Lucy is left heart broken. This is why she decides to send Paddington on a boat from Lima to England so she can move into The Home for Retired Bears and he can have a better life in London. This will help children to understand 'Refugees' and how Paddington became a refugee. Complete 'The Refugee' comprehension attached to Teams.

Dragonflies & Butterflies - Read & complete questions marked with ***

Ladybirds & Bees - Read & complete questions marked with **

Caterpillars - Read & complete questions marked with *

Writing: In the role of Paddington write a letter to Aunt Lucy in Peru to let her know that you have arrived safely, are staying with the lovely 'Brown' family and how different London is compared to Peru.

Organise your letter into x3 parts which begins with an introduction (What is the purpose of the letter?), then include some details and finally end with a conclusion (How is the letter going to end?) Record in English books.

I will attach to Teams a letter from Aunt Lucy, a planning sheet to help the children organise their ideas, a word bank and a checklist for how to write an informal letter. Remember to end your letter with a paw print!

Spellings: Practise [Week 2 spellings](#) for your group, x10, x8 or x6 (included in your paper work pack) by writing them in your home spelling book 3 times.

Then at the end of the week take a mini spelling quiz with an adult. The focus this week is adding -ing to words ending in -y with a consonant before it.

Handwriting: Follow the [Nelson Handwriting](#) units (10 - 14) that are copied in your homework folder (1 unit = 1 focus and 1 extension activity per week). Practise your handwriting in your little purple handwriting book which is also provided in your pack. Unit 11 is

Maths: Focus - Mental Addition and Subtraction, Problem Solving and Reasoning:

Use bonds to 10 and 20 to add single-digit numbers, bridging through 10 and 20.

Solve subtractions using their bonds to 10 and 20.

Use Espresso: KS1 Maths, Addition & Subtraction, Watch Videos: Number Bonds to 10 (Ten Thing Bowling) & Bridging Through 10 (The Trouble with Crocodiles), Activities: Practise Dart Totals to 10 and Dart Totals to 20

For addition complete p.10, 13, 14, 15 & 16 in Abacus Workbook 2.

For subtraction complete p.11, 12, 17, 18 & 19

Homework sheet will be added to Teams to summarise the maths learning for the week

Finally consolidate with the game 'Treetop Topple' in Bronze, Silver & Gold levels on Active Learn Primary.

Science: Our new topic for this term is 'Animals including Humans'.

Go onto Teams and watch the 'Growing & Changing' PowerPoint attached. Use the back of their English books, labelled Science, to complete the Human Growth Timeline activity.

You can either cut & stick the pictures or draw the pictures in order, from the 'Baby' to the 'Elderly' stage. Then underneath each write key bullet points for each stage e.g.

Baby: Drink Milk, Children: Lose Teeth, Elderly: Move more slowly etc

Dragonflies & Butterflies: x3 key points for each stage

Ladybirds & Bees: x2 key points for each stage

Caterpillars: x1 key point for each stage

Topic: Watch BBC Bitesize, KS2, Geography, Geography Skills, Mapping the World, (2 min video). Then use whatever resource you have available/prefer whether this is an 'Atlas' or 'Google Earth' to search Peru. Use the attached sheet on Teams to locate Peru within South America and add its key features e.g. Capital City, Andes Mountains. (Please note: We started this activity in class using an atlas but unable to complete due to lockdown)

Spanish: Use www.lingotot.co.uk/Oakdene.html to complete Year 2 Week 2 session, 'The Four Friends'. Watch the video (20mins) then choose one of the pairs games to play.

Please keep all your home learning resources together and return the complete folder when school opens fully again. I look forward to seeing your completed activities by 12pm on Friday 22nd January. Remember you can send these via email or on Teams!

I will reply on Friday afternoon to these and reward the children using the messages and badges in Marvellous Me.

Keep up the great work!

Take care & stay safe.
