

Reception Green Group - 08/02/21 Home Learning Suggested Timetable  
"Chinese New Year Celebrations"

This is a suggested timetable only. Please complete activities as fits you and your family.

Mrs Elliott  
Monday

**Phonics** - Watch the lesson for 'ow' and join in with the activities.

[https://www.youtube.com/playlist?list=PLm2RM2K7CuCTXpyyW1IfnScIWuSKkMC8T](https://www.youtube.com/playlist?list=PLm2RM2K7CuCTXpyyW1IfnScIWuSKkMC8T8/grade8/module887362/index.html)

And/or complete the 'ow' worksheet. And/or play a treasure hunt game with the ow words listed - you could write them on piece of paper or post it notes and hide them around the house. Try and put some words without the 'ow' sound in too - ask your child to only bring you the words with 'ow' in.

**Literacy & Understanding the World** -Listen to the information teaching you all about Chinese New Year on Espresso Online.

[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/video/item895648/grade8/module887362/index.html](https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item895648/grade8/module887362/index.html)

Make a list of all the important objects and customs linked to Chinese New Year e.g. Dragons. Draw something you found very interesting and label it.

**Maths** - Applying knowledge of one more and one fewer (Part 1)-In this lesson, we will begin to apply knowledge of one more and one fewer using a number line to support understanding.

<https://classroom.thenational.academy/lessons/applying-knowledge-of-one-more-and-one-fewer-part-1-c9qp2d?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 1A&B in your Paper Home Learning pack.

Have a go at the Chinese New Year -Counting/Ordering numbers to 20 on Espresso

[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/activity\\_index/item887362/grade8/module887362/index.html](https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity_index/item887362/grade8/module887362/index.html)

**Move it Monday** - Try out some Tai Chi- this combines deep breathing and relaxation with flowing movements. Originally developed as a martial art in 13th-century China, **tai chi** is now practised around the world as a health-promoting exercise.

<https://www.youtube.com/watch?v=YMVg5diOiMs>

Mrs Elliott  
Tuesday

**Phonics - Tricky word Tuesday** - Practise spelling your tricky words today. This could be with pens, pencils, chalks, magnetic letters, playdough - anything you like. We are looking for you to work towards being able to spell these words from memory so have a go then check against your cards. You could make a game of it in many ways, such as timing how long it takes to make the words and trying to beat it or spraying the letters with a water pistol in the correct order!

**Literacy & Understanding the World**-Listen to the story 'How the Years got their Names.' On Espresso On line

[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/video/item895644/grade/module887362/index.html](https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item895644/grade/module887362/index.html)

Complete the worksheet 'I was born in the Year of the,,,'

**Maths** - Applying knowledge of one more and one fewer (Part 2)-In this lesson, we will continue to apply knowledge of one more and one fewer using a number line and a bead string to consolidate understanding.

<https://classroom.thenational.academy/lessons/applying-knowledge-of-one-more-and-one-fewer-part-2-ctk30c?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 2A&B in your Paper Home Learning pack.

Have a go at the Matching/Counting/Ordering numbers to 20 on Espresso

[https://central.espresso.co.uk/espresso/modules/ey\\_0to10/find.html#tab3](https://central.espresso.co.uk/espresso/modules/ey_0to10/find.html#tab3)

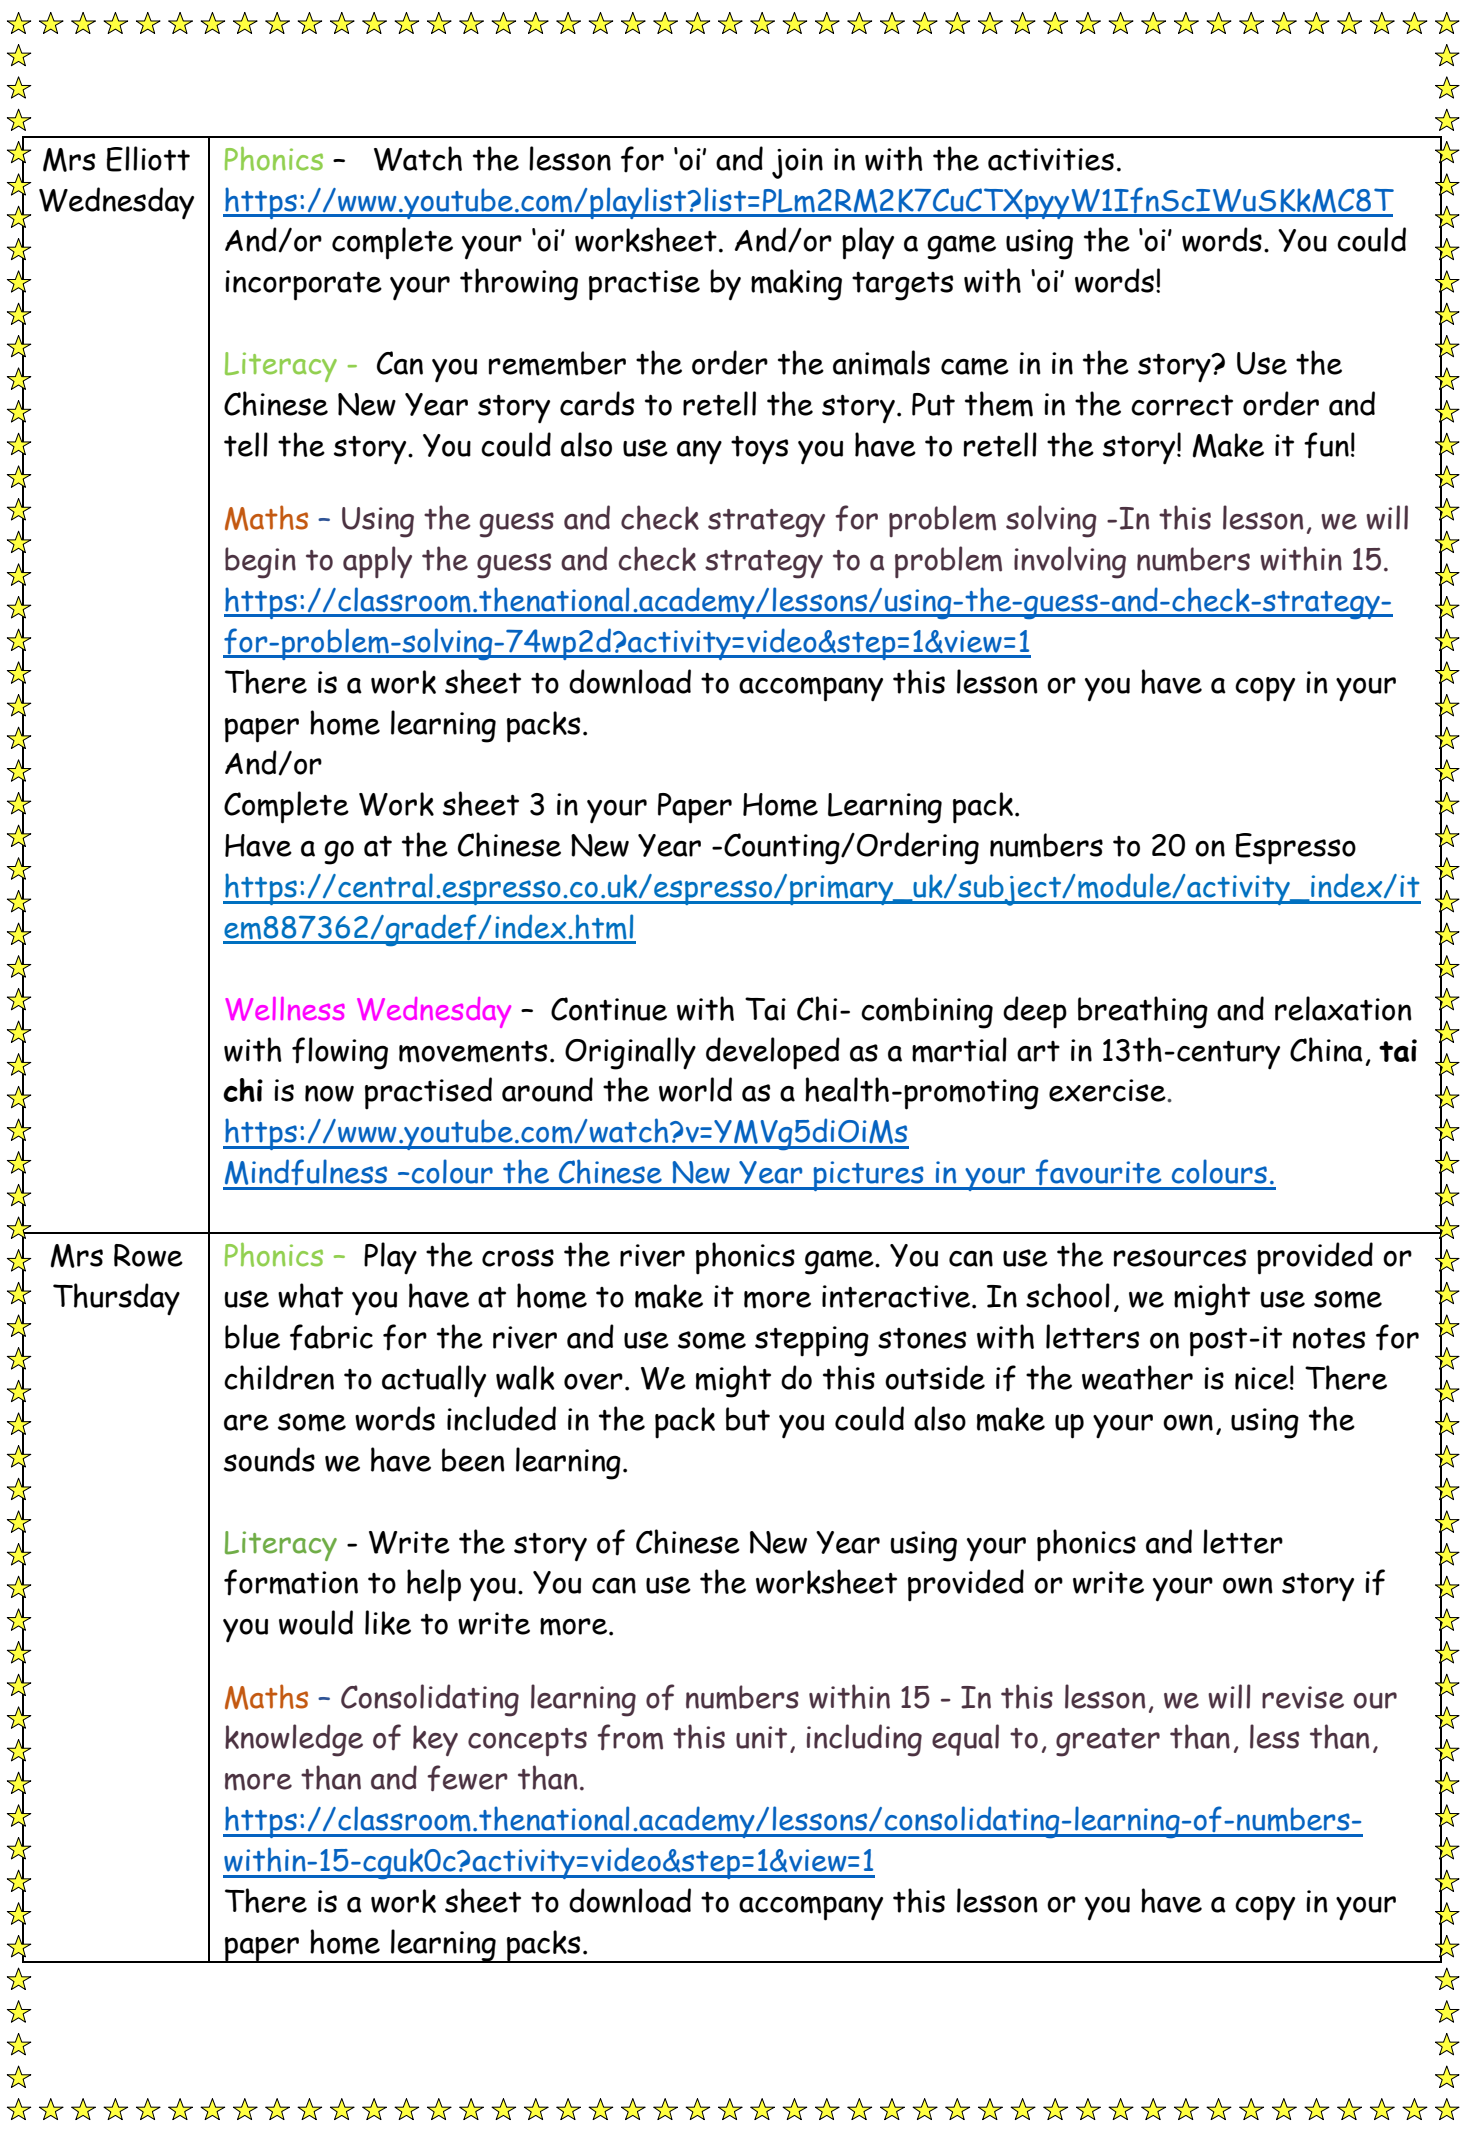

**Challenge Tuesday** - Today is Safer Internet Day. With more of us spending time online and using different devices and apps these days, knowing how to use the internet safely is perhaps more important than ever. Please watch this virtual assembly

<https://www.saferinternet.org.uk/detective-digiduck-virtual-assembly-3-7s> and then

make a poster for 'Top Tips for Searching Online' using Wise\_Owls advise from the story. There are more ideas in your pack to involve the whole family. (Link here:

<https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2021/i-am-parent-or-carer> )

**Picture News** - Please see the picture news information in your pack and complete worksheet with this week's picture.

And/or  
Complete Work sheet/s 4A-C in your Paper Home Learning pack.  
Have a go at the Chinese New Year -Counting/Ordering numbers to 20 on Espresso  
[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/activity\\_index/item887362/graded/index.html](https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity_index/item887362/graded/index.html)

**Creative Thursday** - Today your challenge is to follow instructions to make a Chinese Lantern. Decorate however you like with lucky Chinese colours! Send us your lantern photos!

Mrs Rowe  
Friday

**Phonics** - Play your 'Roll a sound game'. There are a few ways you can play this. You could put a counter on each sound as you roll it until you have covered them all. You could also colour the sounds as you roll the dice. Alternatively, you could try to think of a word for the sound you get and write it down. See if you get think of a word for every sound you roll! Can you make it a competition with someone in your house to see who can write the most words with these sounds in?

**Literacy** - <https://www.twinkl.com/go/resource/dragons-in-the-city-self-marking-reading-comprehension-activity-english-tg-e-22> Read the Dragons in the City story and answer the questions.

**Maths** - Knowing one fewer than a number within 15-In this lesson, we will explore identifying one fewer than a number within 15 using manipulatives/objects to support understanding.

<https://classroom.thenational.academy/lessons/known-one-fewer-than-a-number-within-15-6wtpcd?activity=video&step=1&view=1>

There is a work sheet to download to accompany this lesson or you have a copy in your paper home learning packs.

And/or

Complete Work sheet 5A & B in your Paper Home Learning pack.

Have a go at the Chinese New Year 1 more 1 less Quiz on Microsoft Teams.

**Forest Friday/Outdoor time** - If the weather is good could you video yourself doing some Tai Chi?

**Understanding the World-Chinese New Year Home Learning Challenges** -you could try some of these over half term!

#### Ongoing tasks

Please continue to read books you may have at home often, as well as using Oxford Owl to access eBooks. You can also access Phonics Comics online where you can select comics to read at your phonics level. Twinkl Go has some free reading activities, as well as some audio books for some reading for pleasure time. Twinkl Go is free to use but you will need to make a free account to access the activities. If you need any support, please email Mrs Elliott or Mrs Rowe.

#### Ongoing tasks-Early Mathematics Development

Early maths is all about fun and making things practical. Children need to explore and investigate mathematical concepts, which can help them to become more confident when approaching problem solving activities. Alongside this practical exploration children need experience of recording their learning -there are many ways to do this-photographs, worksheets, children's own forms of recording. Every day, if possible, please continue to explore numbers and number recognition-continue looking for numbers at home like last week's Number Hunt. If you are outside for exercise/walks- look for numbers on doors, car registration plates, buses, traffic signs and other places in the environment. You could practice counting steps, jumps, hops etc. counting up to 20 and beyond and back again to 0.

Number formation remains a core skill activity-use the wipe able number line (in your home paper packs) to trace numbers then practice making your own number lines 0-10 and 0-20.

If you are able to - play board games like snakes and ladders or other games with numbered spaces. Sing and recite nursery rhymes with numbers in-take videos if you can!

### Login for Espresso tasks

### Oxford Owl

We will be using TWINKL resources in the coming weeks for live teaching and other resources. You are able to access these free on any device with the following information.

Twinkl log in details -[www.twinkl.co.uk/go](http://www.twinkl.co.uk/go)

Select pupil sign in -PIN-'JB0654'

Plus Username and Password-'farm44'

### Certificates

We are so proud of you all for working so hard. Please email us photographs or videos of your work - we will make a record of this in school. Those children who complete at least 5 activities per week will receive a special certificate via email at the end of the week. 😊
