

## Mrs Knight's Little Sycamores - Week beg 8<sup>th</sup> Feb home learning

Don't forget to email me with photos of your child completing work and I can email back. Even though the activities are set out for each day, please don't feel that you need to complete everything on the set day. Make the activities fit around you and your family. Also, some activities need to be repeated throughout the week to develop the children's understanding. As long as you have completed at least 5 over the week and emailed me with evidence, then your child will receive their certificate.

When mark making, please encourage a correct pencil grip.

If you would like to celebrate any achievements, write out the Proud Cloud found in previous packs, take a photo and email it to me. I'll print it off and put it in their journals.
