

Mrs Knight's Little Sycamores - Week beg 8th Feb home learning

Don't forget to email me with photos of your child completing work and I can email back. Even though the activities are set out for each day, please don't feel that you need to complete everything on the set day. Make the activities fit around you and your family. Also, some activities need to be repeated throughout the week to develop the children's understanding. As long as you have completed at least 5 over the week and emailed me with evidence, then your child will receive their certificate.

When mark making, please encourage a correct pencil grip.

If you would like to celebrate any achievements, write out the Proud Cloud found in previous packs, take a photo and email it to me. I'll print it off and put it in their journals.

There are some videos about children getting ready to celebrate Chinese New Year. There is also one of the story of Chinese New Year for you to watch.

Tuesday

Reading - When reading stories this week, I would like you to find different things in the pictures. Can you find:

A tree?

A dog?

Some food?

A car or a bus?

Learn the Chinese Dragon song in your pack and do the actions as you sing!

Challenge Tuesday - Can you learn how to say "Hello" in Chinese? We say "Nee-how." Try practicing it throughout the week, why not say it on the phone to family and friends?

Can your adult help you to find out which Chinese animal year you were born in? Let me know which animal you are!

Wednesday

Maths - In your pack, you have a heart hunt game! Ask an adult to hide the hearts around the house. Can you find all of the hearts? Tick off each heart on the checklist as you find them! As you find the hearts, can you say which colour they are?

Wellness Wednesday - Read the story "Guess how much I love you" and think about people you love. You might want to look at photos of your loved ones and point to them.

Thursday

Espresso - Follow the log on instructions to find some Chinese New Year videos and activities!

Phonics - Find a ball (or even a pair of socks!) and roll it to your adult. Can you say the adults name as you roll the ball to them? Try this with different adults or siblings throughout the week.

Friday

Mark Making - Use the card in your pack to make a valentines card for someone you love. Decorate it however you want, think about the colours we see on Valentine's Day.

Fitness Friday- Follow the link
