

## Year One

### Home Learning Week Four: 1/2/21

Hello everyone,

Here is our weekly overview. It includes a range of activities, tasks and resources to support your learning at home. Remember you can send your updates and photographs to my teacher email:

[missleonard@oakdenprimary.org.uk](mailto:missleonard@oakdenprimary.org.uk)

Documents to support your learning at home can be located on your Microsoft Teams account using your Teams login and password.

**Phonics:** Use Espresso <https://central.espresso.co.uk> - English - Phonics - Kim's Phonics Phase 4 - Words Beginning ccc. Watch the video then complete the blending, reading & spelling activities/games for each focus.

**Reading:** Share and read the instructions sheets on your Teams account to help with your writing task this week. Continue to read daily at home. You can use MyOn, Oxford Owl and books/magazines you have at home.

**Spellings:** Practise your week 4 spellings (included in your paper work pack) and take a mini spelling quiz with an adult at the end of the week.

**Handwriting:** Follow the Nelson Handwriting Units (1 - 5) that are copied in your homework folder (1 Unit = 1 focus and 1 extension activity per week). Practise your handwriting in your little purple handwriting book. This week you will need to complete Unit 4 focus and extension sheets.

**SPAG:** Follow the Y1 Skills Builders English sheets (1 Unit per week). This week you will need to complete Unit 20 - Separating Words with Spaces.

**Writing:** Use <https://www.bbc.co.uk/bitesize/articles/zkcbksk7> Bitesize to watch the instructions video and complete the short practical tasks. Look carefully at the picture sequence for crossing the road. Discuss each step. Then, in your blue lined English book, plan your own set of instructions about how to cross the road safely, using a pedestrian crossing. Start with the title at the top 'How to cross the road', then write a list of things you need (listening ears and looking eyes). Then write simple instructions, in the correct order, to form a sequence. Imagine someone who had never crossed a road before or seen a pedestrian crossing was reading and following them. Remember to start each instruction with a bossy word such as; *press, stand, wait, walk, cross* etc.

**Maths:** Focus - Numbers & Counting/Fractions. Use these websites/games:

- <https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>
- <https://www.topmarks.co.uk/learning-to-count/coconut-odd-or-even>
- <https://www.starfall.com/h/geometry/puzzles-easy/?>

Work in your Abacus Workbook 2 to complete pages 26, 27, 28, 29 & 30 (1 page per day). Finally consolidate with the game 'Bingo!' in Bronze, Silver & Gold levels on Active Learn Primary and continue to work through the games from the Autumn Term.

**Science:** Everyday Materials: Session 1 'Absorbency' Look at the flipchart on Teams. Complete the 'Uses of Absorbent Materials' worksheet. Session 2: 'Investigating Absorbency' Read Help the Vet PowerPoint. Complete the investigation worksheet.

**Topic/DT/Art:** 'Where do and did the wheels on the bus go?' Think about all of the vehicles/modes of transport you have learned about so far in this topic. Can you sketch, draw, paint, crayon or build one of your very own? You can be very creative and use anything available in your home. It could be paints, paper, card, boxes & glue, Lego, Duplo, K'nex - we can't wait to see your finished vehicles!

**Computing:** Use BBC Bitesize <https://www.bbc.co.uk/bitesize/subjects/zyhbwmn>

Learn about Online Safety: 'How can we use the web safely' Can you design a poster to remind other people about the importance of staying safe online?

**PE:** Complete the daily physical activities at home for Move It Monday, Try it Tuesday, Wellness Wednesday, Throwback Thursday and Fit & Funky Friday. You will find the grid on your Teams account. If you haven't got the resources required, please be creative with your sessions.

**Emotional Wellbeing & Mental Health:** 'The Go-To' - [www.thegoto.org.uk](http://www.thegoto.org.uk)

If you or your child are feeling overwhelmed or anxious, you may find this website useful to access support. It is suitable for children, young people and parents/carers. Plus you could follow our daily Mindfulness Calendar.

**Picture News:** Read & discuss the topic this week - Why do people climb mountains?

Please keep all your home learning resources together and return the complete folder when school opens fully again. I look forward to seeing your completed activities by **12pm** on **Friday 5th February**. Remember you can send these via email or on Teams!

I will reply on **Friday** afternoon to these and reward the children using the messages and badges in Marvellous Me.

Keep up the great work!

Take care & stay safe.

Miss Leonard
